All,

Here is another one for the Multisite ESO Oversight Task Order. I need each of you to complete the COR Nomination if you have not already completed it for a separate ESO task order. If you have completed the attached form for ESO already please let me know so I can track it for my CO. Please return the signed and approved COR Nomination forms to me so I can provide to my CO at one time.

Thanks,

**Subject:** RAF Multisite Conflict of Interest

All,

You are receiving this email because I need you to provide a list of all responsible parties for your site(s) listed below in order to determine if there is a conflict of interest with any of the ESO contractors and your site(s). If you have a large group of responsible parties for a site please let me know and we can figure out what additional information the contracting officer may need to determine if there is a conflict of interest.
